

Hardship Request

Updated policy in effect as of Spring I 2012

This form permits a team an allowance of **one** hardship request per session. This request must be completed and returned to FISC **no later than the end of the 6th game of the session**. Teams may request to replace a player on their roster for the following reasons: (1) injured player (2) relocation of player (3) to fill a vacant paid roster spot. FISC Hardship Requests are subject to FISC Approval and are not guaranteed. Not with standing the above, all replacement players must meet all other league requirements.
